

ENTERPRISE SCHOOL ERP DOCUMENTATION

विद्यालय (Vidyalaya) School Management System

Comprehensive End-to-End Product Demonstration & Architecture Manual. Covering complete operational workflows from Super Admin governance to Classroom Teachers, Fee Counters, Parents, and Student self-service portals.

**Super Admin Governance**

Institutional oversight, user role security, analytics KPIs, admission pipelines, and curriculum masters.

**Multi-Head Fee Engine**

Instant thermal receipts, pending dues tracking, concession allocation, and automated financial ledgers.

**Teacher Academic Suite**

One-tap biometric/manual attendance, homework assignments, test grading, and schedule timetables.

**Parent & Student Portals**

Real-time progress cards, fee receipts, digital study materials, campus notices, and encrypted chat.

Included in this Document: Complete photographic proof with live UI captures of every primary interface, credential matrices, role permissions, modern vs classic view switching, and step-by-step user operation guides.

Document Reference: VDY-ERP-DEMO-2026-v2.4

Environment: Localhost Production Build (Next.js 14 + PostgreSQL / Prisma)

Target Audience: School Principals, Administrators, Trustees & IT Staff

Generated Date: September 2026

Demo Access Credentials & Role Matrix

SECURITY REFERENCE

The Vidyalaya ERP implements strict Role-Based Access Control (RBAC) enforced via NextAuth.js cryptographic sessions and Edge Middleware. Each account is isolated to its authorized domain with automatic navigation routing.

USER ROLE	DEMO LOGIN EMAIL	PASSWORD	LANDING ROUTE	ACCESS SCOPE
SUPER ADMIN	admin@vidyalaya.com	admin123	/dashboard/admin	Full institutional access, campus settings, user creation, fee ledger, reports.
CLASS TEACHER	teacher@school.com	Teacher@123	/dashboard/teacher	Assigned class attendance, homework, exams grading, student reports, chat.
ACCOUNTANT	accountant@school.com	Accountant@123	/fees/collect	Fee collection counter, thermal print receipts, dues list, expense vouchers.
PARENT / GUARDIAN	parent@school.com	Parent@123	/dashboard/parent	Ward attendance, fee dues & online payment, exam marks card, event calendar.
STUDENT	student@school.com	Student@123	/dashboard/student	Self attendance record,

USER ROLE	DEMO LOGIN EMAIL	PASSWORD	LANDING ROUTE	ACCESS SCOPE
				upcoming exams, homework submissions, digital library.

Role Permission Hierarchy

 **Administrative Shield**

Super Admins can switch between high-velocity analytical Modern Mode and dense data-first Classic Mode with one click.

 **Edge Route Protection**

Any unauthorized attempt by students or parents to access administrative URLs instantly redirects back to authenticated portals.

 **Instant Bi-Directional Chat**

Direct communication channel connecting teachers and parents for real-time progress discussions without third-party apps.

System Architecture Stack

Built with enterprise-ready open web technologies designed for zero downtime and rapid multi-campus scaling:

Next.js 14 App Router
React Server Components

Prisma ORM
PostgreSQL Database

Tailwind CSS
Dark & Classic Themes

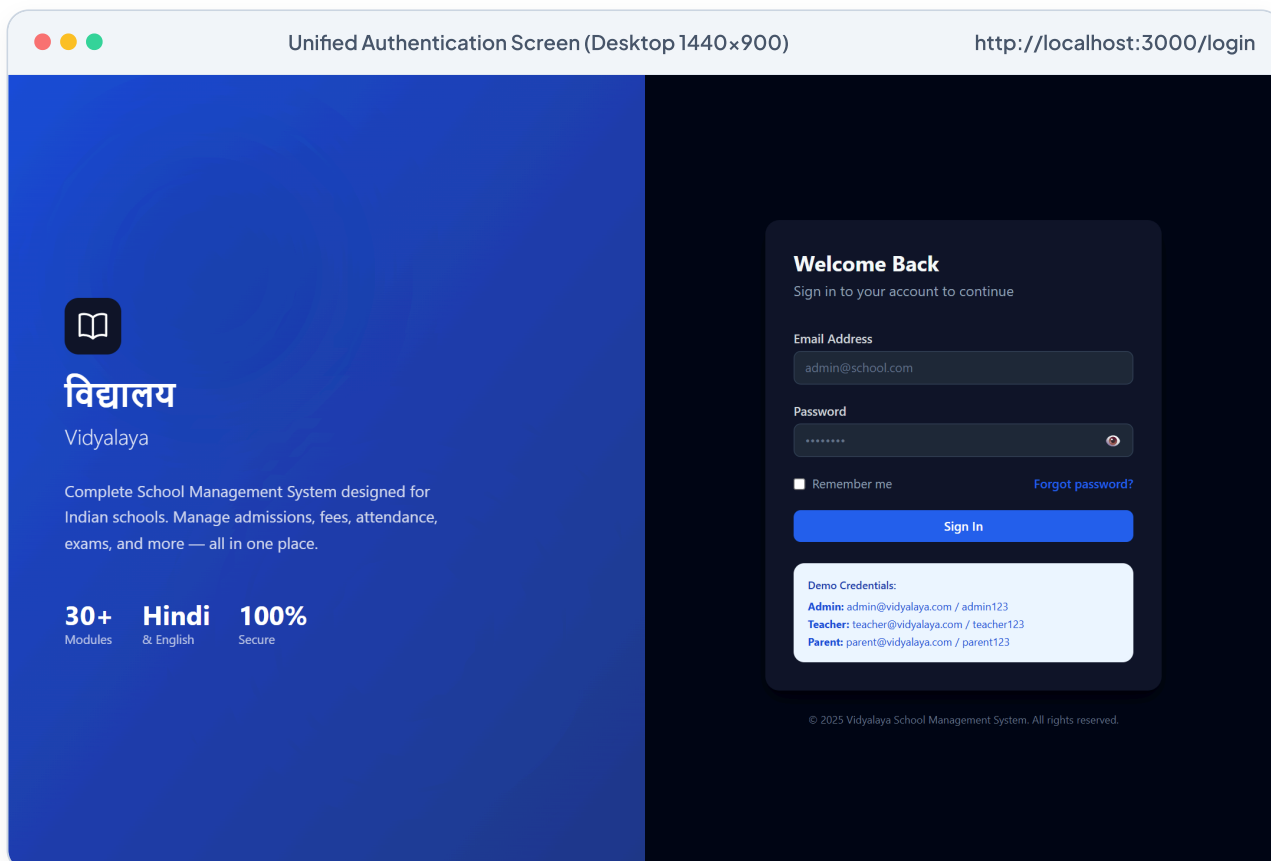

NextAuth v4
JWT Role-Based Auth

01 Authentication & Unified Login Gateway

UNIVERSAL ACCESS

Route: /login

The Vidyalaya entry portal provides a secure, unified single-sign-on (SSO) experience for all five system personas. The system detects user credentials, validates password hashes via BCrypt, and transparently routes the authenticated user to their role-specific dashboard.

High-Entropy Security

Password toggle visibility, rate-limiting protection, and encrypted JWT session cookies with HttpOnly flags.

Smart Dynamic Routing

Root redirection engine inspects the JWT payload and directs users directly to Admin, Teacher, Parent, or Student views.

Bilingual Brand Identity

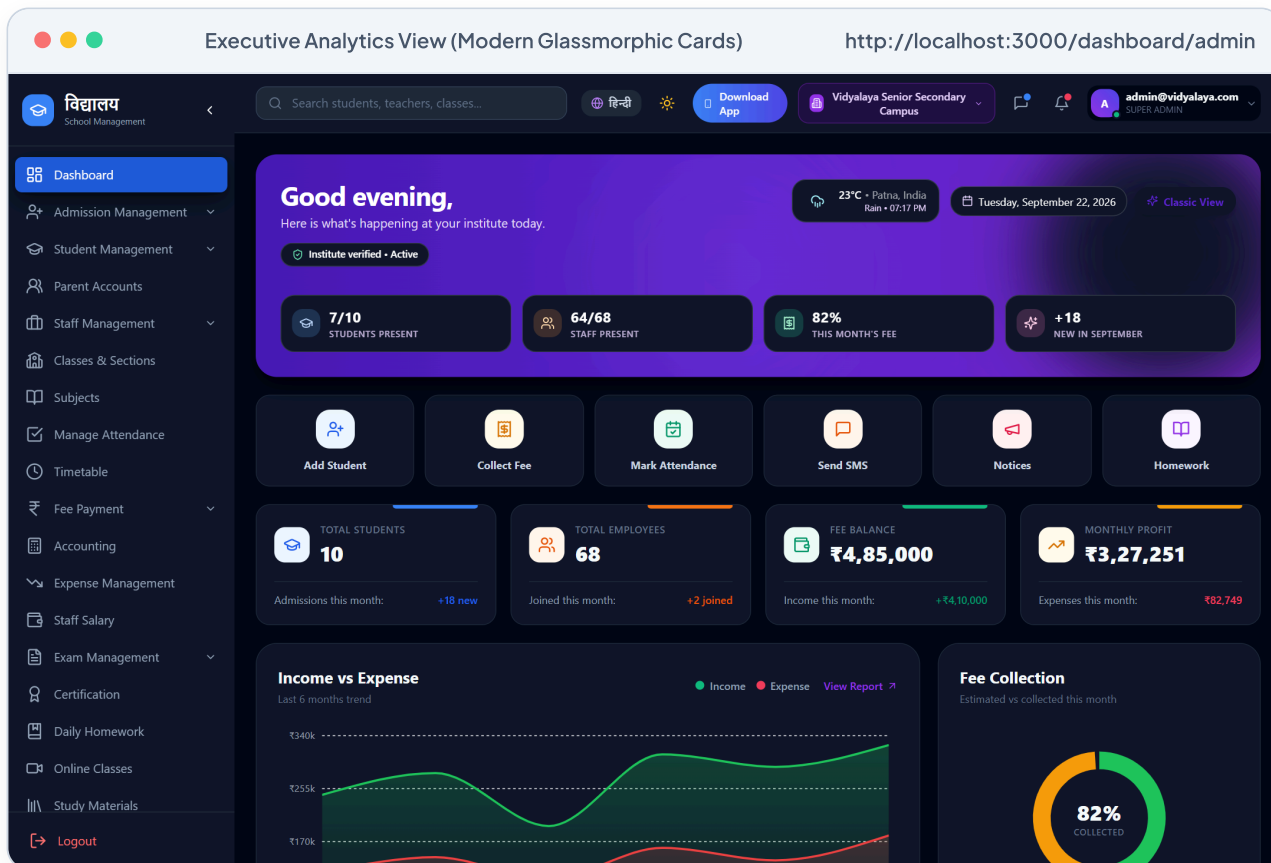

Showcases Indian school branding in Devanagari and English with dynamic gradient backdrop styling.

02

Super Admin Dashboard — Modern Analytics View

SUPER ADMIN /
PRINCIPAL**Route:** /dashboard/admin

The Modern Dashboard view provides executive leadership with a 360-degree real-time pulse of the institution. It highlights vital financial health, student-teacher ratios, attendance metrics, interactive quick-action shortcuts, and financial charts.

Instant KPI Metrics

Live count of total enrolled students, faculty count, today's attendance percentage, and monthly fee collections.

Instant Quick Actions

One-click direct links to Register Admission, Collect Fees, Mark Attendance, and Send Mass Broadcasts.

Header Controls

Integrated Dark Mode toggle, Classic View switcher, notification bell with unread badge count, and user profile drawer.

03

Super Admin Dashboard — Classic Data-First View

SUPER ADMIN /
OPERATIONS

Switch Action: Top-right header toggle **Classic View**

Recognizing that veteran school clerks and operators prefer dense data layouts without large decorative charts, Vidyalaya includes a specialized "Classic View". This view organizes modules into tabular clusters for rapid keyboard-friendly navigation.

High-Density Operational View (Compact Tables & Ledgers)

Dense Module Grid

Grouped by Student Office, Fee Accounts, Academic Operations, Examination Cell, and Campus Administration.

Zero Distraction Workflow

Streamlined layout for low-latency desktop computers commonly deployed in school administrative back-offices.

Dynamic Mode Persistence

Switch between Modern and Classic views anytime without page reloads; session remembers preference.

04 Student Information System (SIS)

ADMIN / REGISTRAR

Route: /students

Central repository for every student profile in the school. Features real-time search, multi-parameter filtering (by Class, Section, Gender, Status), batch export to Excel/CSV, and comprehensive student profile dossiers.

Total Outstanding Card

Aggregate overdue balances across all classes with instant calculation of total pending receivables.

Automated SMS Reminders

Send bulk reminder notifications to registered parents' mobile numbers before fee due deadlines.

Export Defaulter Lists

One-click CSV/Excel export for accountant audits and management review meetings.

08 Daily Attendance & Roster Management

TEACHERS & ADMIN

Route: /attendance

Daily roll call interface supporting both manual single-tap marking and automated biometric machine sync. Teachers select their class and section to record Present (P), Absent (A), Late (L), or Half-Day (HD) status.

The screenshot displays the 'Classroom Attendance Roster with Real-Time Summary Stats' interface. The browser address bar shows 'http://localhost:3000/attendance'. The interface includes a sidebar with a 'विद्यालय' (Vidyalaya) logo and a list of management modules: Dashboard, Admission Management, Student Management, Parent Accounts, Staff Management, Classes & Sections, Subjects, Manage Attendance (highlighted), Timetable, Fee Payment, Accounting, Expense Management, Staff Salary, Exam Management, Certification, Daily Homework, Online Classes, and Study Materials. A 'Logout' link is at the bottom. The main content area is titled 'Mark Attendance' and includes a search bar, a 'Download App' button, and a user profile for 'admin@vidyalaya.com'. It features filters for 'ATTENDANCE DATE' (22-09-2026), 'CLASS GRADE' (Class Nursery), and 'SECTION' (Section A), with a 'Refresh Roster' button. Below these are 'QUICK ACTIONS' for 'Mark All Present' and 'Mark All Absent', and a summary showing 'Present: 0', 'Absent: 0', and 'Late: 0'. A large message states 'No students found' with the note 'There are no students enrolled in this section yet.'

⚡ One-Click "Mark All Present"

Saves teachers time by defaulting all students to present, allowing quick toggling of only the absentees.

📱 Absentee Parent Alerts

Optionally triggers automated SMS/push notification to parents when a child is marked absent without prior leave.

📊 Monthly Percentage Tracker

Maintains running attendance percentages required for CBSE/ICSE exam admit card eligibility checks.

09 Examinations & Marksheet Ledger

EXAM CELL / TEACHERS

Route: /exams

End-to-end examination management covering term exam scheduling, timetable generation, hall tickets, marks entry by subject teachers, grade calculation according to CBSE/State Board rubrics, and automated report card printing.

Automatic Grade Calculation

Automatic mapping of scores into standard CBSE grades (A1, A2, B1, B2) with GPA computation.

Printable Report Cards

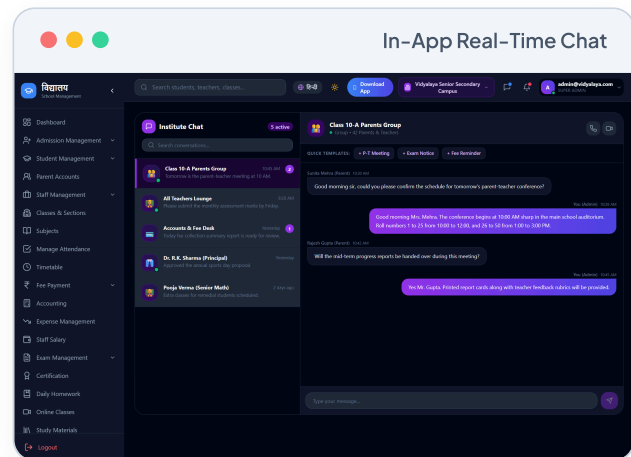

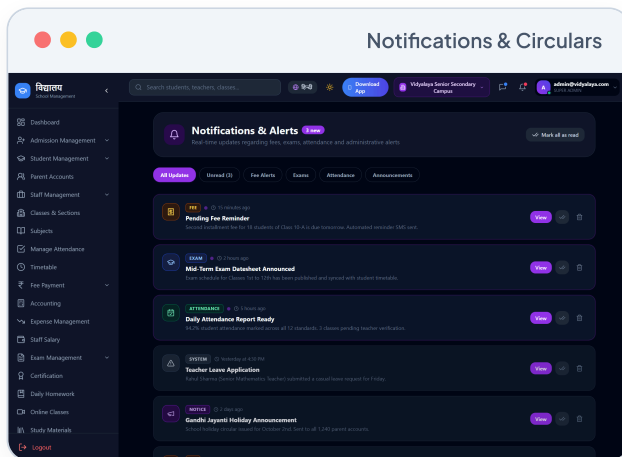

Generate institutional report cards complete with teacher remarks, co-scholastic grades, and principal stamp.

10 Real-Time Communications & Campus Chat

ALL CAMPUS PERSONAS

Routes: /notifications & /chat

Eliminates external unmonitored WhatsApp groups by providing an in-app school communication hub. Broadcast urgent announcements, emergency holiday alerts, and maintain audited direct message channels between teachers and parents.

Role-Targeted Broadcasts

Target circulars to All School, Teachers only, Parents only, or specific Class divisions with attachments.

Secure Teacher-Parent Chat

Facilitates parent-teacher collaboration while preserving personal phone number privacy.

Real-Time Header Bell

Instant notification badge in the global navigation bar alerts users of newly published notices.

11 Teacher Academic Portal

CLASS TEACHER / SUBJECT TEACHER

Route: /dashboard/teacher | **Login:** teacher@school.com

Dedicated workspace for classroom instructors. Displays today's teaching timetable, pending homework reviews, assigned class attendance summary, and direct links to update marks and syllabus progression.

Fast Marksheet Entry

Quick spreadsheet-like marksheet entry matrix to record test scores efficiently after evaluations.

12 Parent Guardian Portal

PARENTS / GUARDIANS

Route: /dashboard/parent | Login: parent@school.com

Empowers parents with comprehensive transparency into their child's academic journey. Features child attendance percentage, upcoming examination dates, fee dues with online receipt verification, and school events calendar.

The screenshot displays the 'Parent Dashboard (Ward Performance, Fee Dues & School Calendar)' interface. The header includes a search bar, a 'Download App' button, and a user profile for 'Rajesh Sharma PARENT'. The main content area features a 'Welcome, Parent!' message and a summary of the child's performance and fees. The child's name is 'Aarav Kumar' and the class is 'Class 10-A'. The attendance for this month is 92%, and the fee due is ₹3,000. The last exam rank is #5. Below this, there are two sections: 'Upcoming' events and 'Recent Notices'. The 'Upcoming' section lists 'Half Yearly Exam Starts' on Oct 15, 'Diwali Vacation Begins' on Oct 20, and 'Parent-Teacher Meeting' on Nov 5. The 'Recent Notices' section lists 'Fee Payment Reminder' (2 days ago), 'Half Yearly Exam Schedule Released' (5 days ago), and 'Annual Day Celebration Notice' (1 week ago). A 'Logout' button is visible in the bottom left corner.

Homework Checklist

Track pending and completed homework assignments across Mathematics, Science, and Languages.

Weekly Class Timetable

Access daily class routine, teacher allocations, and lab schedule right from mobile or tablet.

Performance & Badges

Inspect academic test scores, class rank standing, and co-curricular achievement recognitions.

Executive Summary & Production Deployment

IMPLEMENTATION SUMMARY

The Vidyalaya School ERP delivers a unified, modern, and reliable solution for Indian academic institutions. By replacing fragmented spreadsheets and manual ledgers, the platform establishes complete institutional governance.

Core Value Deliverables

MODULE	PRIMARY BENEFIT	IMPACT ON SCHOOL OPERATIONS
Admission & SIS	Paperless onboarding & digital student dossiers	Eliminates 90% manual paperwork during admission season.
Fee Collection Engine	Multi-head accounting & thermal receipting	Prevents fee leakage, eliminates reconciliation delays.
Attendance Tracker	One-tap class register & absentee parent alerts	Increases student safety and improves parent trust.
Exam Cell & Grading	Automated CBSE rubrics & report card printing	Reduces exam processing time from 2 weeks to 2 hours.
Real-Time Chat & Circulars	Integrated audited campus messaging	Centralizes communication, protecting personal privacy.
Role-Based Portals	Tailored views for Admin, Teacher, Parent & Student	Fosters collaborative student growth and accountability.

Next Steps for Institutional Onboarding

To onboard a new school branch or academic session, configure the institutional profile in `/settings`, import faculty and student lists via the bulk CSV importer, set up fee structures in `/fees`, and issue automated login credentials to staff, parents, and students.
